

Attn Ladies:

- Playoffs – 1st goes to States, 2nd plays Wildcard, 3rd plays 6th, and 4th plays 5th from each division (**NEW**).
- States – There will be 8 teams in States (**NEW**). North will play North and South will play South.
- Sudden Death for States will be implemented 2 hours and 30 minutes after the start of the match (**NEW**). The rack must be struck in the third individual match by the 2- hours-and-30-minutes mark, or all subsequent individual matches will begin with a rack worth two team points. If that two-point rack mathematically wins the team match, the team match will be over; if it does not win the team match, a second rack worth one team point will conclude that individual match. This procedure will continue in each subsequent individual match until a team mathematically wins or the overall match finishes in a tie: one two-point rack, followed by a one-point rack if necessary. Tie breakers will be decided by the team that won the most individual matches.
